- 1 - 2" X 22" Strip

B. Blue Fabric:

- 1 - 2" X 22" Strip

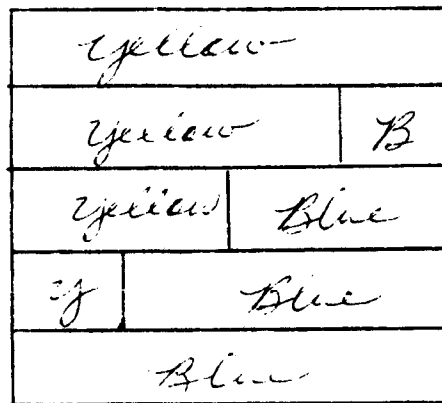

C. White Background:

- 1 - 5" Square
- 2 - 5" X 8" Rectangles

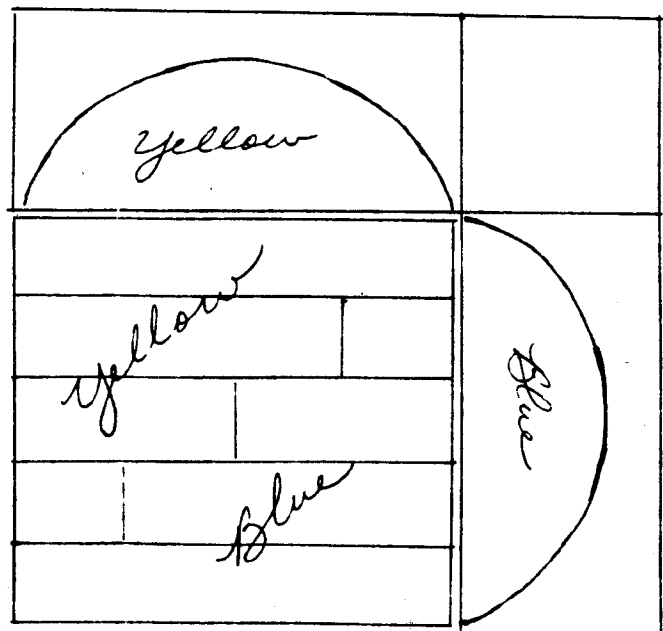

CONSTRUCTION:

1. Start with the yellow and blue 8" squares to make the half-circle tops for hearts. Make a template using the drawing on the reverse side of this pattern. Fold the yellow 8" square in half, mark the half-circle with your template, and cut. With right sides together, sew a 1/4" seam along the round edge, leaving the straight side open. Turn right side out and press. Repeat with the blue square.

2. Make the half-log cabin. From the yellow strip, cut the following lengths: 2" X 2-1/4", 2" X 4-1/4", 2" X 6-1/4", and 2" X 8". Repeat with the blue fabric. Arrange according to the diagram, and piece together.

3. Baste the blue half-circle on the right edge of the half log cabin block. Join a white rectangle. Sew the white square to the remaining white rectangle. Baste the yellow half-circle to the top yellow edge of the log cabin block; then sew the white section across the top to finish the block. Press the half circles up/out as hearts. It should measure 12-1/2" square.
