# Valley Forge Homestead Quilters

Guild Newsletter

April 2011

## Clips from Chris

When I think about why spring always seems to be so busy, I can never get an answer. The hubby begins to question it, too, with his when will I see you? My answer is it's my job as guild president, works for him, and works for me. Spring truly is a wonderful time of year. It kicks off many quilt related events, quilt shows near and far, quilt retreat – a favorite get away for me, best of all my niece will be married April 16th and I want to be the great Aunt and help her in any way I can, i.e. making 100 homemade preserves for her favors, modifying the ring bearer pillow, and making a decorated box for her gifts. Yes I know I am crazy, but these are the things we do when you love someone and I love this child. One thing I must add is I have such wonderful friends, they are willing to help me fine tune some of the details for the wedding items. They are awesome and I thank them for being great friends.

Meeting Ricky Tims at the Lancaster Quilt show

Lastly, I want to give Jean Hayden a big hug. She coordinated a great workshop for us. We are well on our way to completing another great quilt, "Hunter's Star". Our Generation friends, Linda & Amy, did an outstanding job getting us started on this project. So let's not disappoint them and not let it be an UFO. Best of all it was a great night out with friends.

*Chris*

## Guild Meeting Information ~ April 19, 2011

Need a new project? We will have a follow-up to our yo-yo demo. At April's meeting, Chris Candello with yo-yo expert Beth Quigley, will work with us to create a table runner using yo-yos. So bring an assortment of fabric scraps ranging from 5" to 8", needle, thread, scissors, and yo-yo makers if you have them. There will be demos of making yo-yos with a template and template plastic will be available to make the size circle needed for a yo-yo. We will have yo-yo makers for sale, so bring your cash, if interested in purchasing.

## Fat Quarter Raffle

April, May, June 2011

Continuing on the theme of creating a safe, peaceful lifestyle, so we can calmly deal with the chaos in the world around us, I was feeling In a Blue Mood. Since our Hunter Star workshop was approaching, I was looking through some of my quilt magazine issues for two-color quilts and a blue and white quilt caught my eye. The serene and soothing coolness of the blue and white put my mind in a more relaxed state.

Instead of chasing the blues away, gather up your fat quarters of Blue & White, White with Blue, or just Blue to put you "In a Blue Mood".

Here are the guidelines for the Fabric Raffle:

- Fabric should be fat quarter for this raffle.
- It should be washed and pressed.
- It must keep the announce theme.
- It should be "quilt-shop" quality.

Fill in your name on the entry slip for every fat quarter you contribute to the raffle basket and the drawing will be held at the March meeting.

-Jacqui Santangelo

## 50 - 50 with a Twist

The 50/50 for March was Lucky Irish Numbers. Three names were chosen: Becky Weiland, Mary Eisele, and Beth Quigley. They had to guess which number (from 1 to 10) that I was holding in the envelope. The number was 4, for the four leaf clover, and Becky was the closest to it. She chose to win the money prize which was \$34.00 (wow). Then Mary and Beth again chose numbers. Beth was the closest to the number 7 I was holding. She chose the gift prize which was colored tape, sticky dots, and tracing paper. Mary received the bonus which was 3 fat quarters in springtime colors. Of course, Chris told her to have something finished by next meeting. Look for another fun game next month.

-Kate, Sally, and Nancy

## Block of the Month

Please bring your April block to the meeting for a chance of a great prize from the prize basket. We will also discuss any challenges for the May Block. It may be helpful to bring the calendar/book or the pattern page to the meeting.

-Cathy Fennell, Beth Quigley

## Scrap Box Exchange

Let's start a scrap box exchange. Bring your pieces of scrap fabric starting in April; maybe someone else would be able to use them.

## New Web Page—Dates to Remember

Checkout our new web page [Dates to Remember](#), which lists Valley Forge Homestead Quilters guild events and other local events. Let me know if you would like me to add an event to the list.

## Welcome New Members

**Martha Nawrocki**, who resides in King of Prussia, heard about us through a neighbor who attended her book club meeting. As a young sewer, Martha started with needlepoint when her children were under the age of three. She switched to quilting occasionally. Then after Hurricane Katrina, she started really quilting again as she volunteered to make Katrina Quilts. Martha's first quilt was made from one piece of material twelve feet long, folded over, tied and bound. The fabric cost 99 cents a yard and it lasted 19 years. Martha enjoys pieced quilts, especially classic designs, also geometric styles. Besides completing a bed-size quilt, she enjoys needlepoint and sewing. Martha does not work outside of her home but was a knowledge engineer and is now a writer. She recently moved from Texas with her husband to be closer to their son in Wayne. Martha moved into their new home on March 21st, so welcome Martha, to our guild and to the neighborhood.

Living in Ardmore, **Gina Shevchenko** found us through a web search and through several members she met at Steve's. Gina's mother taught her to sew clothing and embroider at the age of 10. Gina is a long arm quilter and sewing teacher and has been teaching teenagers sewing for the past five years. She teaches at the Agnes Irwin Summer Session. She provides long arm services in her home. Her interest in quilting began when her director asked if she would teach a quilting class for kids. In order to do this, she took a basic quilting class and from there she started making quilts for her own enjoyment. Gina enjoys the quilting process most and enjoys drawing with thread as she has been drawing since a very young girl. She has completed a bed-size quilt and enjoys painting, drawing portraits, history, walking, and swimming. She works part-time as a summer camp sewing teacher and has a wonderful husband and three wonderful children ages 14, 13, and 11. Welcome, Gina.

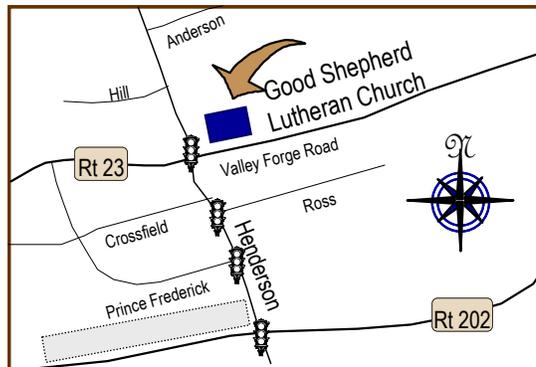

**Chris Webb** heard about us from two customers at Steve's. Chris lives in North Wales and has been sewing for over thirty years. She became interested in quilting after high school and her first quilt was one she made to take to college. Chris enjoys denim and scrap quilts and has completed a bed-size quilt. The other thing she enjoys is reading. Chris is a teacher, is married and has an adult son, daughter and a cat. Welcome, Chris.
