

QUILTED SEWING MACHINE COVER

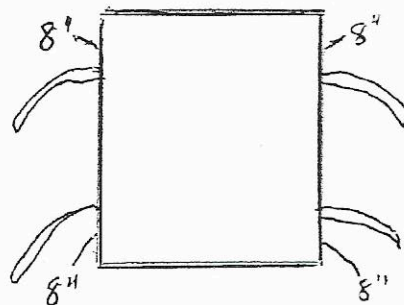

- A. Cut Focus Fabric (solid, or all-over design)
18" wide x 28" long.

IF YOU CHOOSE ONE-WAY DESIGN FABRIC,
cut Two pieces 18" wide and 14-1/2" long.
Sew pieces right side together so design is
as illustrated. *

- B. Cut four handles > 2-1/4" x 18" long. Sew and turn.
C. Add applique or other technique on the front. Add batting and quilt as
desired. Trim all edges.
D. Sew handles at 8" from lower edges.

- E. Cut backing 18" wide x 29". Cut piece in half on long side.
Place pieces right sides together, but leave a 7" opening in
the center.
Place front and backing, right sides together, and sew all
Around, keeping handles clear. Trim if needed.
Turn through opening, press, and Stitch opening close.
